

Head Start Rm 14 Newsletter

Classroom Highlights 4/13/22

We have started our next study of Insects. The classroom has ladybug larvae to observe as they complete their life cycle into ladybugs. We are becoming bugs experts/entomologist as we learn more about insects.

Books: Be An Expert Bugs by Erin Kelly, About Insects A Guide for Children by Cathryn Still, When I feel by Dr. Becky Bailey.

Our Learning Focus

- Literacy
 - Comprehension of Age - Appropriate text
 - Letter recognition
- Concepts
 - Measurement
 - Counting small groups
- Social Emotional
 - Pinwheel Breathing
- Self Help Skills
 - Sharing wants and needs to others
